

ORE OFFICE MEMORANDUM

EPB NOTICE No. 3-49

14 December 1949

1. The meeting of the Estimates Production Board scheduled for Wednesday, 14 December, is cancelled.
2. It has become apparent that further coordination within ORE of the entire problem of production planning is desirable before action is taken. Therefore, the plan, concept, and the accompanying Staff Study have been recalled from COAPS and will not be presented to the DCI in their present form.
3. Agenda for the meeting of the EPB on 21 December 1949 will be circulated as early as possible.
